Sir:

Applicant hereby petitions the United States Patent and Trademark Office to accept the papers submitted herewith for completion of the filing requirements in the above-identified application.

Roecker (i.e., Jennifer Dyer, Director of the Office of Technology Development at Scripps on December 5, 2005, and Attorney Fitting on December 14, 2005), Attorney Sheila Kirschenbaum was advised that the Declaration for Patent Application would not be signed by these inventors. Thus,
